Description : One time we keynoted @SaintCon... I think i remember hiding a flag in our pres

Your flag will be in the normal flag{flagGoesHere} syntax.

Attachment : None

## Solution :

First let's browsing some keyword like «twitter NeverLANCTF @SAINTCON» on google.

twitter NeverLANCTF @SAINTCON

We found this result related of our CTF in the top 3 google result.

twitter.com › neverlanctf › status ▼ [Diese Seite übersetzen](#)

**NeverLAN CTF on Twitter: "Excitement building! @SAINTCON ...**

23.09.2018 - Excitement building! @SAINTCON is as much as here. We'll be keynoting the main stage Tuesday at 10:50. Don't miss our story and ideas for ...

After opening the tweet, it seem not to be the tweet we searched for.

So i come back to google, and used the same syntax of the tweet previously found for my research.

NeverLAN CTF on Twitter: @SAINTCON

And i found the tweet bellow in the top 3 of google research.

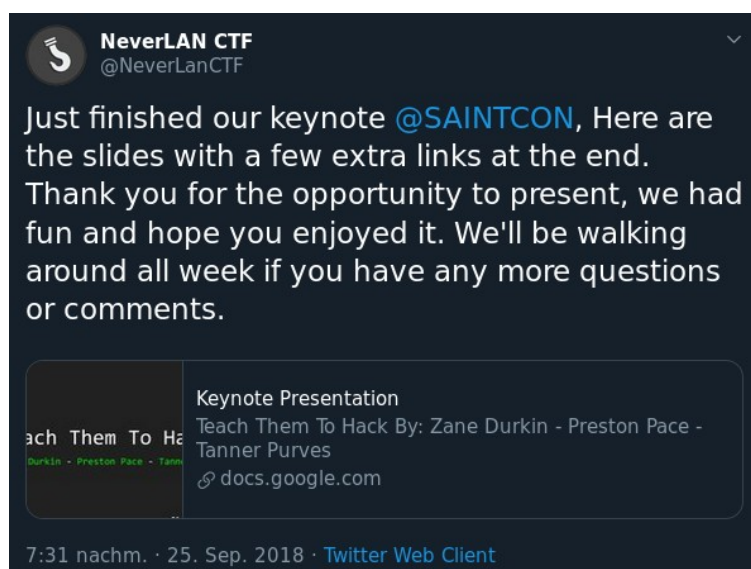

twitter.com > neverlanctf > status ▾ [Diese Seite übersetzen](#)

NeverLAN CTF on Twitter: "Just finished our keynote @SAINTCON

...

Just finished our keynote @SAINTCON, Here are the slides with a few extra links at the end.  
Thank you for the opportunity to present, we had fun and hope you ...

Opening the tweet and it seem more to be what we are looking for.

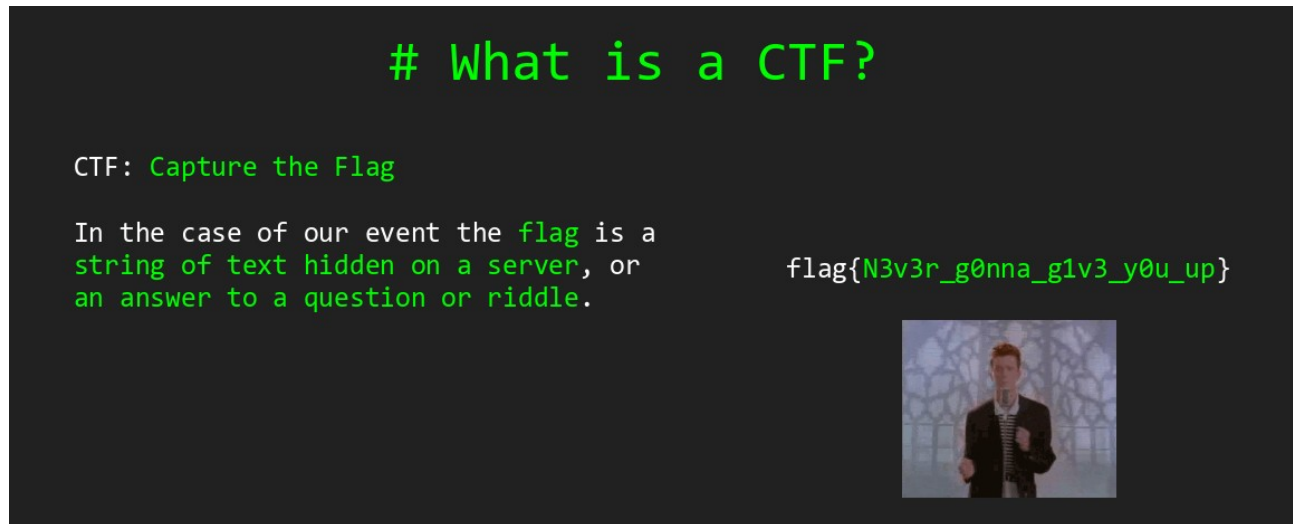

Opening the attachment link redirect to the link bellow.
