🏆 [10 Points] Deceitful Batman [by t0tch] [5191 solvers] 1003 🍌 32 🍷 Difficulty: 📊 05/09/2017 ▼

This text appeared on a Batman show but we suspect that it is actually code. It's your job to find out what it says! (The flag is in uppercase)

Once extracted we got a text file named « final.txt »

With this content

NAANAAANNNAANAAAAANANANAAAAAAANNAANAAANAAANANNAAAAAAANNNNAANAAAA
ANAANAAAA

We think about the beacon cipher who use two letter A and B, so go to a beacon cipher decoder online, put the letter 1 = A and the letter 2 = N, then decode.
