Rev : Windows of Opportunity

Description : Clam's a windows elitist and he just can't stand seeing all of these linux challenges! So, he decided to step in and create his own rev challenge with the "superior" operating system.

Attachment : windows_of_opportunity.exe

Solution :

Just use “strings” and “grep” for retrieve the flag.

```
kali@kali:~/Downloads$ strings windows_of_opportunity.exe | grep "actf{"  
bactf{ok4y_m4yb3_linux_is_s7ill_b3tt3r}
```

Flag : **actf{ok4y_m4yb3_linux_is_s7ill_b3tt3r}**
