Solutions:

We got this cipher to decode.

D) 4 7 6 7 4 5 1 D 1 () 1 1 1 1 6 4 7 1 6 4 () 7 7 6 5 7

Searching on google for a long time about **symbols cipher**, **strange alphabet** and more, and I finally discovered it was **Hylian Language** form the **Zelda** game "**Twilight Princess**".
