Cryptography : Land Locked

Description : Eve found this in one of the packets she sniffed. What does it say?

Attachment :
YXVjdGZ7NExMX3kwVXJfQjQ1M19SX2IzbDBOZ18yX3VTXzEyNGRmMnNkYXN2fQ==

Solutions :

Seeing the cipher, and I directly thinking of base64, decode it and we get the flag.

```
kali@kali:~$ echo 'YXVjdGZ7NExMX3kwVXJfQjQ1M19SX2IzbDBOZ18yX3VTXzEyNGRmMnNkYXN2fQ==' | base64 -d
auctf{4LL_y0Ur_B453_R_b3l0Ng_2_uS_124df2sdasv}kali@kali:~$
```

Flag : auctf{4LL_y0Ur_B453_R_b3l0Ng_2_uS_124df2sdasv}
