Forensics – Choose your Pokemon – 150 Points :

Choose your Pokemon - Points: 150 - (Solves: 174)   Forensics - Solved

Solve   Hints

Just a simple type of recursive function. master-ball
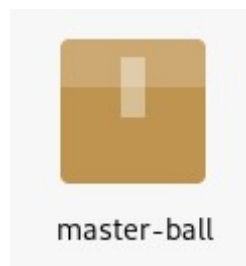

Hint :

Choose your Pokemon - Points: 150 - (Solves: 174)   Forensics - Solved

Solve   Hints

Flag is formatted as {plain_text}

Once the file downloaded, you got an rar archive named « master-ball », extract it.

master-ball

Now you got a zip archive named « roshambo » extract the content too.

ZIP
roshambo

On it there is a directory whith a pdf file on it.

inDesign

Open the pdf you will see a pastebin link, browse it.

Link : https://pastebin.com/AWTDEb9j

inDesign

https://pastebin.com/AWTDEb9j

Browse the pastebin you will found a file with many data on it, download the file.

AWTDEb9j.txt

Once downloaded, use file command for see wich type of file it is.

```
root@nexus:~/Téléchargements# file AWTDEb9j.txt
AWTDEb9j.txt: Rich Text Format data, version 1, unknown character set
```

Okey so it's Rich Text Format data, rename the extension .txt to .rtf, and open the file.

AWTDEb9j.rtf
