Solve   Hints

My regular teacher was out sick so we had a **substitute** today. Ciphertext

Once the file attachement open, you will see that cipher.

```
                                                    enc.txt
Fichier  Édition  Rechercher  Options  Aide
Alphabet: WCGPSUHRAQYKFDLZOJNXMVEBTI
zswGXU{ljwdhsqmags}
```

As it said on the challenge « we had a **substitute** today », so we think at substitute cipher.

Browse a substitute cipher decoder online, under cipher alphabet, put the alphabet of you'r file.
